### **ABOUT THE COLLEGE**

Our VPMM Arts and Science College is established in 1994. It is affiliated to Madurai Kamaraj University in Madurai. The college is one of the premium arts and science colleges in Tamil Nadu offering undergraduate and postgraduate programs in arts and science programs. The college is situated in the heart of the Srivilliputtur city. The college is under section 2(F) & 12b of the UGC Act 1956 by the Ministry of Education, Government of India. We are committed to excellence in education, research, and innovation, preparing students to become leaders in the rapidly evolving field of Microbiology.

We strive to provide innovative solutions, reliable infrastructure, and exceptional support to meet the evolving needs of our community. Our department is comprised of skilled professionals who specialize in various areas of medical, industrial, agricultural, environmental, research, and biotechnology fields. We work collaboratively to ensure that the organization remains at the forefront of technological advancement.
